

Skip the steam -
froth, pour, enjoy!

PROFESSIONAL

OLDENBURGER

BARISTA MILK

1.0% FAT, UHT, 1L

1 CTN X 12 PKTS X 1L

• The Cold Foam trend is here to stay

Oldenburger Barista Milk is the go-to for all your **cold beverages**. **No steaming required**; Designed for **easy frothing and foaming at ambient temperature**. Simply grab a milk frother stick and go for it — consistent results, every time.

• Stable foam that lasts

Enjoy **creamy fine-pored milk foam** that holds its shape from first pour to final sip. Perfect for layered drinks, Oldenburger Barista Milk keeps your creations looking and tasting their best!

• Long shelf-life, easy storage

Designed for professionals, Oldenburger Barista Milk offers a **12-month shelf-life at ambient temperature** — no need for refrigeration before opening.

• Proven Taste & Quality

Made with **pure cow's milk**, Oldenburger delivers the smooth, creamy and reliable taste you expect from **German Dairy Excellence**.

Prices are subjected to the GST.
